ORDER AFFIRMING DECISION OF THE COMMISSIONER

On September 8, 2023 the United States Magistrate Judge entered a Report and Recommendation in the above-referenced case, recommending that this Court affirm the Commissioner’s decision upholding on appeal the findings of the Administrative Law Judge (“ALJ”), denying benefits to Plaintiff [Docket No. 23] . The Plaintiff has filed an objection to the Magistrate Judge’s Report and Recommendation within the time prescribed by law. 28 U.S.C. §636(b)(1); Fed. R. Civ. P. 72(a) [Docket No. 24]. Plaintiff objects to the Magistrate Judge’s Report and Recommendation asserting that the ALJ erred and remand is required because the ALJ failed to properly weigh the medical and scholastic evidence and failed to properly assess the six functional domains resulting in an incorrect conclusion at step three. The Magistrate Judge reviewed the ALJ’s analysis in his determination regarding the six functional domains and the ALJ’s extensive reference to medical and scholastic evaluations in the record, and found that the ALJ had substantial evidence to support his determination and that correct legal standards were applied by the ALJ. Thus, the decision of the Commissioner was supported by substantial evidence.

Upon full consideration of the record and the issues herein, this court finds that the Magistrate Judge's recommendation to affirm the ALJ is well-supported. The ALJ's decision is supported by substantial evidence, and the correct legal standards were applied.

Accordingly, the Report and Recommendation of the United States Magistrate Judge is hereby AFFIRMED and ADOPTED as this court's Findings and Order. The decision of the Commissioner is affirmed.

IT IS SO ORDERED this 29th day of September, 2023.
